Monday 25th April
Tuesday 26th April
Saturday 30th April

Easter Celebrations/Last Day of Term 2
Teacher Training Day/No Students in School
Students Resume for Term 3
King's Day Celebrations

Easter Celebrations

Miss Nwanne, Mrs Gloria and Mrs Maya have been busy preparing towards the upcoming celebrations of egg decoration, pyjama parades, hat making competitions, breakfast buffets and much more!

A detailed letter from the committee has been attached to this Newsletter explaining the programme for next Friday.

Intent Forms

In a transient society such as ours, we appreciate that families sometimes need to move on. Often Parents cannot predict what will happen as regards personal jobs and contracts, which of course, we understand. The school in which you choose to place your child is a personal and important decision and having faced COVID, then relocation, we are happy to be stabilising in terms of numbers and new families interested. For the many who are already enquiring about next academic year because they're excited and certain to stay on; we are grateful. It is however important for us to try and gauge school numbers officially rather than through casual discussions, before ordering resources and preparing for the academic year 2022/2023. Sending out Intent Forms is common practice in most schools and has, for many years, been an end of Term 2 tradition at NISL. **Please fill in and return forms to Class Teachers.**

Security Tags

Well done NISL Family; look how quickly we can bring back a needed protocol when it's in the best interest of our children. If you're yet to arrange for an ID tag; kindly email nislict@nislagos.org.

Authorised Leave

Mrs Dipa will be out of School over the course of next week for unavoidable reasons/travel purposes. She will, however, be very much accessible via WhatsApp or email.

Alternatively, feel free to contact Mrs Naomi if you have any questions or comments over those few days (naomi.ifeozo@nislagos.org) as she will hold the fort with her usual competence and smile. Supporting Mrs Naomi, during Mrs Dipa's absence will be juf Claske and Miss Yvonne.

Green Team Update

A very big well done to our Green Team kiddoes and a very big thank you to all of you who stopped by for today's presentation. The young adults who came to visit and role model for our own students (**MONDO4AFRICA**) made an excellent impression, taught us a thing or two, have left some gorgeous fabric bags for purchase and have reminded us regarding **EARTH DAY on 22.03.22**. This falls within the school holidays but if you dress in GREEN on that day and send photos to Class Teachers, we can create a Yearbook photo splash and remind the GREEN TEAM that we support them.

Daycare/After School Activities

There will be no Daycare/ASAs next week as Class Teachers traditionally use after school hours to pack away resources for Term 2 and prepare towards Term 3. We are compassionate however that double school runs for those with siblings may not be possible so upon request; sibling supervision can certainly be organised by the Minimax/Maximax/Pre-Reception Team (to help synchronise closing times).

- Next week Friday we will send out information/choices for Term 3 ASAs
- Daycare in Term 3 will continue to be offered for Minimax and Maximax
- Pre-Reception ASAs will be similar (a slight change) - Art, Board Games, Zumba and Drama
- Reception and Primary ASAs will also be slightly amended, a few day swaps and teacher changes

*PLEASE DO LOOK THROUGH THE OVERVIEWS BEING SENT NEXT WEEK WITH YOUR CHILDREN...
WE REALLY ENCOURAGE THE CHILDREN TO STATE THEIR PREFERENCES/CHOICES!*

IEYC/IPC

The backbone of our curriculum, reflecting the thematic approach we imbibe, has been naturally showcased over the course of this week by various ages via outdoor lessons, exit points and collaborative work. Learning for life at NISL brings learning to life at NISL!

		
		
	<p>We very much teach in "units" or themes so that learning is linked from one subject to another.</p> <p>In balancing knowledge, understanding and skills we see better results and notice the children enjoying more/remembering more!</p>	

Regards from The Team.
