**Happy New Year...Let's make it a great one!**

Welcome back for what promises to be a successful and fun filled 2018 at NISL.

We have had a busy and productive week and students seem refreshed and eager to learn.

A warm welcome also to our new NISL families.

### After School Activities (ASAs)/Daycare

These commence next week and are very much being talked about by the students who seem excited by additional choices. If you have not yet signed up for options; please do endeavour to see Mrs. Naomi in the School Office on Monday next week as there may be some spots left. Please ensure that children are picked up promptly after ASAs/Daycare.

**There are no Saturday Activities tomorrow. These commence on Saturday 20<sup>th</sup> January.**

### Head Lice Check

This is a routine check that we arrange for after each main school holiday with a group of volunteer mums. The check will take place on Friday 19<sup>th</sup> January.

## Attendance

Lack of communication regarding delayed return from key holidays unfortunately seems to be an on-going battle and frustration that the school faces with some families each year. It is important for us to reiterate;

- No explanation or no leave request form leads to “unauthorised leave.”
- This will sadly be reflected in some June reports.

## Staff Update

We are happy to report that Mrs. Tinu who was working in Maximax is still very much in touch with us as she settles in her new home abroad with her husband. We wish her all the best and would like to introduce Miss. Deborah as her replacement.

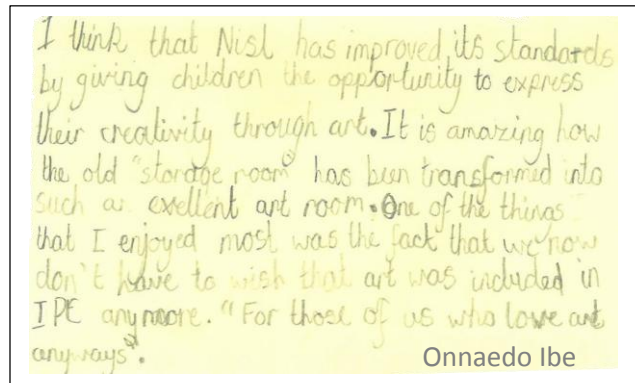

## Parking Regulations

We have had to agree this week with the local authorities that any car parked outside of the school with no NISL car sticker is entitled to be towed away by them. There would also inevitably in turn be implications for our security guards. You will therefore notice the Security being even more stringent than before.

**If you have not already done so;  
please immediately arrange for your car stickers via the School Office.**

## Art Lessons

Yet another specialist subject has taken off the ground at NISL; it is exciting to grow and develop. We hope you enjoy some magical moments captured on camera being displayed on the photo slide near the parent bench are.

## Student Council Update

The next initiative by Student Council to raise funds for the orphanage “Motherless Babies” is soon approaching. All NISL students will learn about sharing, respecting property, social skills and responsibility through a GAMES AFTERNOON.

This will take place on Friday 26<sup>th</sup> January. More details to follow.

**Enjoy your weekend and see you all on Monday.  
Kind regards from The Team**
