School Calendar

- Some parents have asked us regarding summer holiday dates; this school year ends on Friday 22nd June (as per the school calendar previously published) and we will resume on Monday 20th August 2018.
- Please note that towards the end of this academic year (tentatively June 14th /15th) there will be an Eid Celebration/Public Holidays announced. Although production dates will not be changed and the school year will still end on Friday 22nd June we will certainly close school on the public holidays. This was unintentionally omitted from the original school calendar. Apologies for this. Nearer the time; dates will be confirmed.
- A complete calendar for next academic session will be sent to you by the February Mid-Term break (Friday 16th February).

Request from the Year Book Committee

Please send photographs of any NISL magic moments captured with your children to mariadeboer@gmail.com or mirstetut@hotmail.com for the Year Book.

After School Activities (ASAs)

Week one of ASAs for this Term have taken off well. As done previously; attendance registers will be taken and for your reassurance; extra supervision checks have also been put in place. Please be reminded that Mrs. Pam has now handed the duties pertaining to ASAs over to Miss. Yvonne. Feel free to keep us posted with your feedback via yvonne.ojeiku@nislago.org.

DON'T FORGET ... Saturday Soccer and "Beautiful Feet" commence tomorrow.

Student Council (SC) Update

Another Fun Friday is fast approaching and will take place from 12noon to 12.30pm on the 26th January next week. All children are invited to bring in a game from home and pay N250 to take part in the **GAMES and VALUES** session. Class Teachers and members of the SC will talk about sharing games, taking responsibility for your belongings, being thoughtful if someone looks lonely and showing respect to team players. These are just some examples of life skills that could be taught that afternoon proving that we can learn through play and that we do learn for life. Examples of games that could be brought in are board games, trump cards, skipping ropes, electronic devices with parental permission etc...

Parent Teacher Conferences (PTCs)

These interim report conferences are a useful opportunity for Class Teachers to share assessment feedback and set targets for your children. Similarly; you are given a personalised 15minute slot to ask questions and give feedback of your own.

Traditionally we have offered appointments up until 8.00pm. This has now been modified; **PTCs will hold from after school until 6.00pm on Tuesday 13th and Wednesday 14th February.**
