NISL PROUDLY INTRODUCES THE BUILD UP TO THE 2017 INTERNATIONAL DAY CELEBRATIONS...

Just one week to go and we will be celebrating the diversity in our truly international school. Thank you to those parents who have already signed up on the food list. You will have noticed that it has now been displayed on the Parent Notice Board and that this year we will enjoy a “food walk” across the main continents represented at NISL. **Please read attached!** Some PE classes may be cancelled on Friday 26th May due to the celebrations; Class Teachers will inform you themselves if this is the case.

Assessments

Please note that PIPs with the Reception children and InCAS/Cito with the others will be continuing over the course of next week. We still recommend early nights and positive vibes☺

Today's Football Match

Despite the last minute changes of players due to absences and even the change of opponent; we are delighted to announce that yet again our LIONS pulled through victoriously (against Grand Oakbridge School of Lekki) with a **remarkable 4:2**.

End of year Productions

We are pleased to inform you that song and cast allocation is already taking place for our upcoming end of year productions.

The Royal Visit and The Royal Visit (with a twist) promise to take your breath away and leave you walking away with a chuckle...

All parents are invited to watch and support. Formal invitations and more information will follow soon.

Ns/Pre-Rec Wednesday 14th 10.00am Rec/Gp 1 upwards Thursday 15th 6.30pm

IPC Exit Points

Due to the above mentioned productions being brought forward by a week and rehearsal schedules now being intensified we have decided not to have formal exit points after the current IPC units being taught. One less date for your diaries! Our students will of course still cover their objectives and share exit points with their Teachers and Milepost peers in class.

Kumbi Music Academy/ABRSM Examinations

It has been brought to our attention that many students will need some time off on Monday to face music examinations for which we wish them all the best. If your child needs the whole day off on Monday 5th June, please fill in a leave request form from the School Office and leave will of course be authorised. If your child will be in for the morning and needs only be at the Muson Centre after noon, then please inform respective Class teachers in advance.

Minimax PE Lesson

Our youngest school ambassadors enjoyed their first ever formal PE lesson this week and were full of smiles as this photograph shows. As we draw towards the end of the academic year we see how much each and every one of the students has developed.

Way to go Minimax!

YEAR 5/6 SCHOOL CAMP PHOTO COLLAGE...

What a jam packed with fun two days our eldest students have just enjoyed.

The purpose behind School Camp is not only to enjoy but also to educate, to team build and to promote independence. **This year has been a journey...**

The first ever year where we incorporated Dutch students into the English Stream within the eldest cohort, a year where we have taken in new students from other schools in a year group that didn't even exist two years ago at NISL, a year where Year 5/6 have been commended by the inspection consultant for leading by example and more recently; a year where they can proudly say they have come together as one.

During School Camp, these students demonstrated that they appreciate each other's differences, they aspire to lead, they ask questions and they live to learn.

Enjoy your weekend and once again, please be reminded to read the attached International Day information sheet.

Kind regards from The Team.
