Parent Teacher Conferences

Sinterklaas visits NISL

This year's Sinterklaas Committee, Mr. Frits, juf Stefanie, juf Danitsa and Mr Dayo are eagerly awaiting the arrival of Sint and his Pieten to NISL. The children should relay to you that they're here safe and sound in Lagos; but currently seeing through their quarantine period and awaiting their COVID repeat test. We hope to see them in school in a couple of weeks and in the meantime will be preparing at home with baking and in school with treats for Ozosnel, Sinterklaas' horse.

Parent Teacher Conferences

Please be reminded to book your Zoom PTC for next week Tuesday or Wednesday with your child's Class Teacher(s). We would like to touch base with each and every family.

Fire Drill Feedback

An excellent and calm gathering, with the stipulated distancing measures still adhered to, took place at the playground muster point this morning. It took us only 2 minutes and 41 seconds to execute the planned fire drill procedure; a record time reflective of your children's behaviour/listening skills.

Assessment

- Our DS assessments have commenced with Cito AVI timed reading and other assessments
- The ES will carry out informal reading, writing and Numeracy assessments next week
- EYFS children usually involved in PIPs phonic and number assessments (Reception) will be assessed in the week commencing 30th November

Birthdays

Due to the current safety measures in place we cannot invite Parents of our youngest ambassadors into school for birthday celebrations. This would ordinarily be an option for our EYFS aged classes. No Parents currently allowed whatsoever. We also require that cupcakes be sent in, as opposed to cake which needs cutting.

Thank you for reading our somewhat shorter than usual Newsletter.

Reading our weekly updates and staying informed is essential!

Have a great weekend - Regards from The Team.
