Sinterklaas

What a great event we had on Sunday welcoming Sinterklaas and his Pieten to Lagos via Rocket! Their landing on the NISL grounds was astonishing; with plenty of help from our children with their Rocket designs and directions. Sinterklaas was amazed to be welcomed not only by a full representative of NISL families and the wider Dutch community of Lagos but also by a live band, playing Sinterklaas songs.

If you have any photos from our successful Sunday event that you would like to share/see in the Year Book, please email them to nislict@nislagos.org

The children were delighted to find out that the Pieten and Sinterklaas on his horse Amerigo, had visited the school on Thursday night and left everyone a chocolate letter in their shoe. Next Friday morning on the 1st December, Sinterklaas will visit the school again even though it is a Public Holiday. The Sinterklaas celebration will go ahead for all our children who wish to attend.

Art Exhibition

Our Grand Jubilee Art Exhibition had an excellent start on Thursday evening where we had a number of people show up to see the beautiful art work. It continued through Friday morning where the children also had the opportunity to see their class art next to the work of the professional artists. The exhibition will continue on Friday evening from 18:00 to 21:00 and Saturday 25th from 11:00 To 15:00. A big thank you, to Mrs. Yara Sarkis & Mrs. Liesl Stols for initiating and organizing this Art Exhibition

Kind Regards from the NISL Team.
