## Classic is Fantastic

A huge "BRAVO" sung unanimously to the sensational committee of today's art and musical extravaganza. **Mrs Ritu, Mrs Oana, Mrs Florence and Mrs Naomi simply blew us away.**

All artwork will continue to be displayed until Term end and you are welcome at any drop off or pick up time to wonder through and take a breath taking glance. The interactive canvases dotted around were well enjoyed and clearly many of us in the NISL Family are "art smart". Certainly, many have a flare for music too! We hope you enjoyed all songs and instrumental performances. The children clearly worked very hard to make this entertaining and endearing. A huge call out to Parent Helpers; you were amazing. We need a few days to compile a video capturing highlights and ambiance with photos of the event; as soon as this is ready we will send to all Parents/upload on our social media pages.

## COVID Restrictions Lifted

We are delighted that as we hosted, today, our first full school, Bubble free, event in two years, Lagos State Government is in sync and lifting restrictions. As of 4<sup>th</sup> April, LSG will not require a post travel 2day PCR test to be administered meaning that our families who are returning from international travel after Easter, will be able to send children back to school with no wahala (😊) like the good old days!

### Green Team

Our passionate group of school leaders; are promoting a love for Mother Earth ...

**They host a presentation next week Friday before pick-up (approximately 12noon). Details to follow.**

Please also note that if you are one of the families enquiring about the re-useable shopping bags which sold out on day 1 (!!!), these can still be custom made for you. Complimentary cards of Miss Abimbola (the tailor) are at the security desk for you, upon request. Miss Abimbola can make extra for you if required and all arrangements can be discussed with her personally.

### School Photographs

Although we had initially mentioned Tuesday 29<sup>th</sup> March, please be reminded that we then announced; the School Photographer will return next week Wednesday 30<sup>th</sup> March. All missing photos will be captured and staff photos will be taken too. Please can we ask some of our Parent Class Representatives to supervise the 7.20 – 7.45am morning play whilst we say cheese and take our Team photos.

### Curriculum Maps

This academic year after COVID and relocation we tried to get back on track with old but good habits. We hope you follow on the website that we upload all Primary, Termly learning objectives. Curriculum Maps for Term 3, Primary, will be sent out to you just after the Easter Holidays.

### Assessment Results

Recently our Year 2-6 students plus Groep 4/5 students sat their standardised score assessments (originating from the scheme GL Assessment). Parent Reports will be emailed to you today by the Class Teachers and are reflective of teacher assessment and in line with January targets set. A very pleasing set of results indeed. Do reach out if you have any questions or comments about the reports sent.

### Student Council

Monday to Friday has been full of friendly child-led well-being tips and insights from our Councilors. Please do check our social media pages for video clips from each day; promoting awareness about exercise, eating fruit/vegetables, drinking water, getting the right amount of sleep and why it is important to be kind to others. Making someone smile can actually brighten up your own day! Fruity Friday, with healthy fruit cups delivered to classes were a hit. Do ask your child if they enjoyed the week.
