

...Learning for Life

NISL NEWS 26th January 2018

Important Dates

Monday 12th – Wednesday 14th February
 Tuesday 13th / Wednesday 14th February
 Friday 16th February
 Monday 19th – Friday 23rd February (inclusive)

Inspection
 Parent Teacher Conferences
 Sports Day
 Mid-Term Break

The Student Council of NISL
 promoted good life skills, values and personal goals today through their Social Day and Games Afternoon. Thank you for remembering to send in games and toys and for supporting this charity initiative.

We hit the N20,000 mark today and how? Simply by playing together; learning from each other and being social.

WE LEARNT A LOT TOGETHER AND REALISED THAT TRULY; LEARNING IS FOR LIFE AND LEARNING CAN BE THROUGH PLAY!

THANK YOU STUDENT COUNCIL FOR THIS GREAT IDEA...

Important Calendar Change

Due to Eid el Kabir falling within our first week of the new school year (2018/2019); we have decided to amend our resumption date.

School will start on Monday 27th August 2018.

As promised; a complete calendar for the next academic session will be sent to you by the February Mid-Term break (Friday 16th February).

Assessments

The Dutch Stream have started Cito Assessments this week. We would like to take the opportunity to remind parents how necessary it is to be supportive from home. Without instilling a sense of pressure we do tell the students at school about their upcoming assessments and indeed we give them feedback in child speak (which we then address more formally with yourselves in the February Parent Teacher Conferences). We ask you to please encourage early nights and punctual arrival to school.

The English Stream will also be sharing data analysis and targets with you in the PTCs as they have been looking at individual pupil progress and comparing “levels” achieved here to national averages in UK schools.

Fire Drill

Well done to all NISL students and staff who quietly gathered at the muster point in 3 minutes 43 seconds for their first unannounced fire drill of the year.

Parent Questionnaire

You will have received a letter/email this week sent on behalf of Mrs. Linda Donowho (our lead inspector) asking you to spare a few minutes of your time; to fill in a parent questionnaire. Your views are valued as regards the performance and targets of our school and could impact greatly on the final inspection report. The questionnaire is available for you to complete online at <http://surveys.isi.net>. The unique code for your school’s inspection is **MSVG-XOHZ-CQHI**.

Report Folders

Kindly ensure that these are handed to Class Teachers next week Monday if you still have them at home.

New Playground Equipment

As mentioned in our final Newsletter of last term; we managed to raise a grand total of ₦370,000 from the auction of our jubilee masterpieces created by our very own NISL artists. This alongside funds to be raised by a Student Council event will be used to purchase new playground equipment. Class Teachers will be encouraging all students to put their playground equipment ideas in class suggestion boxes. On reading these and upon watching presentations made from within the council body; the councilors will vote upon the way forward. They will update us via next week’s Newsletter.

Wishing you all a wonderful weekend...
