

Traffic situation

- People can get out of their cars in front of the school gate.
- People can get out of their cars in front of the generator gate.
- No parking is available in front of the school compound.
- Drivers need to continue to drive around after dropping parents and children (this prevents the road from being blocked for people visiting other companies and embassies).
- Cars are **not** allowed in the school compound during school days.
- Teacher's drivers are allowed to enter school gate before and after school hours (after ASA).
- The guards organise and monitor traffic and entrance to the school compound.
- Parking can be done at APEX
