Truly one of the most spectacular calendar days of our school year which reflects all we believe in and all that we are!

Parent Board Meeting

Traditionally at NISL we have a bi-annual opportunity to meet with the Board and hear from Management regarding the school's progress, reflections, finance and plans for the upcoming year. Many will be interested in who their child's Class Teacher will be in the new academic year and of course updates regarding the incoming Principal need to be shared. The visiting Principal would in fact like the opportunity to meet and greet you personally and is here in Lagos for an orientation trip. We therefore ask that every family make the effort to attend (even if only one Parent). There will be no supervision duty for children, so we kindly ask that you arrange childcare at home. **The meeting will commence at 9.30am.**

Productions

Your children may well have started mentioning costumes, songs and themes linked to the summer productions. Our EYFS students will perform on Wednesday 21st June (morning) whilst the Primary production is scheduled for Thursday 22nd (evening). Yesterday we had three tailors in and around the school measuring for costumes as this year we are going all out with creative ideas. Costumes will be sold to each child as many families over the years have asked if they can take home what their child wore. Quite a few schools that we have liaised with do this regularly and it is something we have tried in the past at Walter Carrington. If you have UNAVOIDABLE plans to travel early, please let us know.

EYFS costumes are N7,000 and Primary costumes are N10,000. Cash payment should please be made by Friday 2nd June.

Leadership Initiatives

Our Green Team superstars will be sharing prices and details of the June Summer Bag Sale with you next week. They have asked that we thank and appreciate Parents for all of the scrap fabric sent in.

Student Council were selling customised water bottles today and encourage you to bring some cash in next week if you still want to purchase. We have left over bottles and want to make more money for charity!

**What an amazing event the committee pulled off!!!
Big up to Mrs Kanchan, Mrs Tolani, Mrs Zainab and Madame Marie.
You gave us the opportunity to celebrate our diversity but also
brought us all together, promoting unity and world peace.**

See you tomorrow morning at 9.30am!
Kind regards ...
